

Sponsorship Document

August 21-30, 2026

<https://kamp.linux.org.tr>

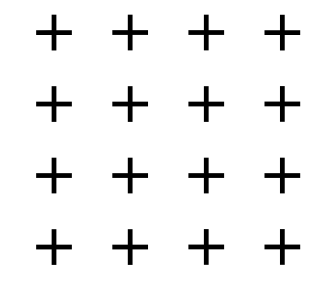

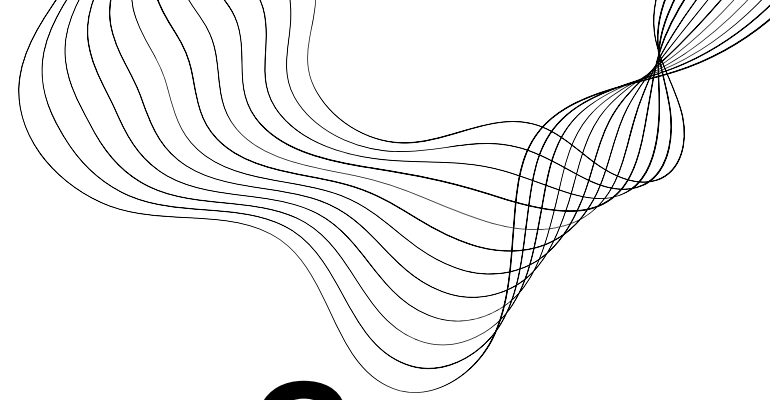

Event Details

The event, organized by the **Linux Users Association** and **Bolu Abant İzzet Baysal University**, will be held this year between August **21-30, 2026** at the **Bolu Abant İzzet Baysal University Gököy Campus**.

The Linux Users Association's summer camp, which has now become a brand, offers a unique educational environment for **10 days** not only for university students but also for public and private sector employees from **all over Türkiye**.

Participation in the trainings, which are given by **volunteer instructors** in parallel classes that appeal to different fields and knowledge levels, is **free of charge**. Participants are expected to cover only their own travel/accommodation/meal expenses.
